Notice of Non-Responsive Amendment

Applicant's amendment in response to the Restriction Requirement dated June 19, 2001 filed on July 27, 2001 in Paper No. 4 is non-responsive for the following reasons:

Applicant has not elected a composition comprising a specified individual hydrophilic N-linked glycosyl compound for prosecution on the merits as required in the Restriction mailed June 19, 2001. See especially the top of page 4 therein.

Applicant's election of the species of compounds of Formula I is not fully responsive to the Office Action mailed June 19, 2001 since Formula I does not describe a single compound, but instead a large genus of compounds. A reply should be made to each point raised by the examiner's action, and may include a traverse or compliance. See MPEP § 818.

Therefore, Applicant's reply to the Restriction Requirement is incomplete.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
